

FIR APPROVED BALLS 2026

The FIR Council has established the following lists of approved balls and shuttlecocks for each sport for all FIR international World Ranking Tournaments (WC, SWT, IWT, CHA).

Different brands may be used for different sports (e.g. Nittaku for TT, Yonex for badminton, Dunlop for Squash and Babolat for tennis), but the same individual ball types must be used throughout the tournament for all classes (e.g. Yonex AS 30 for Elite, non-Elite and age category events).

Please Refer to the FIR World Tour Committee for any brand approval request: wtc@racketlon.net.

Table Tennis

The following balls are approved by FIR in accordance with the ITTF - International Table Tennis Federation and MUST be 3-star*** in colours White or Orange only!

Only **Plastic** balls may be used.

A minimum of 3 balls per table are requested whatever the draw to prevent damaged or lost balls impacting play continuity.
